ROSE MILK JB2

Subject: Discover the Delight of Rose Milk - Exclusive Content Inside!

Dear [Subscriber],

Rose Milk, a simple, rose flavored summer drink and it's quite popular in south.

Ingredients:

Rose milk is a refreshing and delicious drink enjoyed for centuries in many parts of the world. It's a perfect treat for hot summer days made from rose syrup, milk, and sugar.

Benefits:

Glass of Rose Milk enhances the functioning of your brain by providing the nutritional benefits of Vitamin A, B, C and E.

Milk and milk alternatives contain varying amounts of calories and nutrients like protein and fat. Cow's milk and soy milk typically contain the most protein.

ROSEMILK JB2

what is sweet rose milk ?

BY JB2

Rose milk is a delightful beverage that combines the rich creaminess of milk with the fragrant essence of roses. It's created by blending or infusing rose syrup, made from fresh rose petals, with chilled or warm milk. This fusion results in a sweet, aromatic drink with a distinctive pink hue.

Known for its soothing and refreshing qualities, rose milk is a beloved beverage in various cultures around the world. It offers a unique combination of flavors.

HOW TO MAKE REFRESHING DRINKS

STEP 1

Shake the bottle before use.

STEP 2

Add 35ml Ralli's rose syrup and half glass of crushed ice.

STEP 3

Rest of the glass to be filled with water/soda/milk.

STEP 4

Stir well and drink.
